71st Conference ICHRPI
71è Congrès del CIHAE
71. Tagung IKGPS

Andorra la Vella, 16–18 July 2019

The 71st conference of the ICHRPI will be held from Tuesday, 16 July to Thursday, 18 July 2019, at the Congress Center of Andorra la Vella (Principality of Andorra).

In 2019 Andorra will celebrate the sixth centenary of the founding privilege of the *Consell de la Terra*, the old parliament of this small country in the midst of the Pyrenees. It is the perfect occasion to discuss in our congress the processes that followed the first participatory assemblies to become democratic parliaments. It will also allow us to focus our attention on the particular forms they adopt in small states/microstates. Parliaments are at the center of the political life of these small countries, very close to the citizens, and are they are the heirs of the ancestral forms of community representation.

Main conference theme:

Evolution of representative assemblies to democratic parliaments.

Other conference themes:

Parliaments of small states/microstates.

Forms of representation in representative and parliamentary assemblies.

The internal organization of representative assemblies: committees, commissions, secretariats.

Conference proposals

Proposals to give a paper at the Andorra conference should be submitted between 15 November 2018 and 31 January 2019 (proposal deadline). Proposals should be submitted to consellgeneraland@gmail.com
