| Place | Collegium Historicum |
| Title of Session | Models and practices in the evolution of Representative and Parliamentary Institutions |
| Organizer | Prof. Maria Sofia Corciulo (University of Rome La Sapienza) |
| Presentation characters] | <p>[max. 1800</p> <p>1. From Administration to Politics: the role of representative assemblies Papers presented on the first theme will range from the old assemblies of estates to the parliamentary debates in modern times. In that context, constituent periods and relationships between legislative and executive powers will be highlighted. Six proposals of papers have been registered on this theme.</p> <p>2. Representative institutions in the governance of cities from Middle Age to present time Papers presented on the second theme offer interesting case histories about the formation and evolution of the representative institutions of the Cities and their relationship with different levels of governance, emphasizing the conflictual aspects. Six proposals of papers have been registered on this theme.</p> <p>3. Myth and reality of representation: political theories and institutional practices The third theme has registered the largest number of proposals (nine). Papers will range from the all the aspects connected to the ideas, images and functions of Parliamentarism to the debates about human rights and female representation, not neglecting the democratization processes.</p> <p>4. The development of representative and parliamentary institutions in Central-Eastern Europe Finally, the forth theme has been devoted to the countries</p> |

of Central and Eastern Europe, according to the Polish venue of the Congress. Five proposals of papers have been registered on this theme, pointing out the role of Parliaments in some national cases, referring particularly to political and institutional transitions.
